From the Bethel Town Office

Last week the town received notification from the Maine State Housing Authority that they have made a preliminary designation for up to 20 units of elderly housing in the former Thunderbird Motel on Main Street. The project, proposed by Dictar Associates of Portland, would include substantial renovation of the Thunderbird together with the construction of additional facilities on the lot.

With this preliminary designation by the State Housing Authority, the local governing body has 45 days to act on the project. Should the town take no action on the proposal within this time period, the project would be considered locally approved by the Housing Authority.

The Board of Selectmen will be calling a special town meeting in early September to enable the voters to decide upon this project.

It should be noted that even if the town approves the project at the special town meeting, the developer will still have a number of regulatory and financial approvals to obtain before the project could be started. Other regulatory approvals would include compliance with the Town's Subdivision Rules and Regulations.

The Board of Selectmen will hold their next regular meeting Monday evening, Aug. 25.

BETHEL TAXPAYERS ASSOC. TO MEET AUG. 28

A meeting of the Bethel Taxpayers Association will be held on Thursday, Aug. 28, at 7:30 p. m. at the Bethel Savings Bank. All interested residents and town officials are urged to attend.

The Association will be studying some of the following problems facing the town: town budget planning; tree growth laws—the impact pro and con, the present method of funding of schools, the method of valuation of land in relation to size and usage, and upcoming valuation changes on property.

A good response has been made by mobile home owners, and David Bicknell, Augusta, president of the Manufactured Housing Institute of the North East (MHI NE), will address the meeting on studies being done in Augusta on standardization of valuations.

Eveline Barrett, Corres.

Sympathy is extended to the family of Mrs. Leona Curtis. Elmer Taylor Jr. was a winner in the pie eating contest at West Paris Old Home Day and his prize, a blueberry pie.

Mr. and Mrs. Norman Abbott, JoAnn, Rumford, were at the Lawrence Sunday. Doris is on vacation this week from Penley Corp.

John Estes has been sick, but is getting now.

Community Club meeting at the hall, Aug. 6, voted to have a public supper at the hall, Aug. 23, 5 p. m. Donations in memory of Joseph Barrett amounted to \$110. Voted to use the money towards fixing the roof.

The twin billy goats across the street are four weeks old and very frisky. One looks like a deer except it has a square white patch near his hips on both sides.

Newry had a beautiful day to celebrate. Everything was wonderful and many, many people were present to enjoy it all. Even had a cool breeze.

A wedding reception was held at the Community hall for Sherry Kimball and her husband, Aug. 10.

Eveline Barrett called on her school mate Dorothea Hooper Friday and Russell McAllister, another school mate was there. I had not seen either one for many years. Also called on Mrs. Sylvia Jenkins, Mrs. Elvira Littlehale and Mr. and Mrs. Lawrence Jordan, all of Bryant Pond.

David Lyons stuck his hand against a saw and it is sore.

Word has been received of the death in Millinocket, on Aug. 8, of Mrs. Berntha McDowell, age 89 years, a former resident of Bethel and West Bethel. She leaves a sister in Bethel, Mrs. Rosa Garber.

FRANKLIN GRANGE #124

Franklin Grange #124 met in their hall, Bryant Pond, on Aug. 4 and conferred the first and second degrees on two candidates. Two of the candidates were unable to be present. Lyndell and Arline Farr furnished music for the evening.

Visitors were present from Turner, West Paris and Oxford, total of 27. Guests were called upon and responded by telling of the doing of their Granges which was very interesting.

Refreshments of ice cream and snacks were served at the close of the evening.

The third and fourth degrees will be conferred by the West Paris degree team on Sept. 15.

Sunday River

Mrs. R. M. Fleet, Corres.

Sent in by Eva Yates: Thursday night supper guests of the B. H. Yates for a lobster stew and steamed clam supper were Mr. and Mrs. Verrill of Concord, Mass., and Peggy Blake, Joe and Eva Yates. Was it ever a good supper; M-m-de-wish-us as the little boy said. No one went home hungry.

Friday morning as Joe was in the midst of making five pies for the celebration supper and Peg in the midst of washing the dog began to bark with the usual invite to "shut-up" which she failed to do and kept looking toward Peggy's camp. Looking up there her yard had several head of cattle there. No one knew who owned them but they were a bunch of steers of Benton Swan out to see the countryside so they took off up through the woods back of the camp. It took a couple of hours or so before they were being herded up the road toward home. Benton does not let his stock run over other people's property and said he bet that was those steers' last run before the cow buyer got them.

Early Saturday morning Peggy Blake, Joe and Eva Yates were on the way to the big celebration to set up a table of first class fleas of all descriptions for the benefit of Bear River Grange. Only four members lent a hand but it went off very well. The Grange had a vehicle in the parade. It was a nice parade and the ones that worked on the different committees are to be congratulated. They did a wonderful job.

Howard Waterhouse, who grew up in Bethel, but now lives in southern California, has been visiting his mother and others. Sunday he called on Bryce Yates and stopped to say hello to Joe, Peggy and Eva. As boys, he and Bryce worked hard and still had a lot of fun.

Mr. and Mrs. Floyd Verrill were at their cottage last week.

Eva Yates received notice Friday of the arrival of her 35th great grandbaby. A young miss weighing 8 lbs. 11 oz. arrived at the home of Boyce and Irene Haines Martin of Salem, N. H. Her name, Melanie Anne. She has a brother, Chris, four, and a brother, Brett, age two, so she will have two brothers to love her along with Mom and Dad.

Our Bethel Blues got beat Tuesday night sorry to hear it but "my Jim" was not in the best of trim as he had a hurt shoulder and back.

Peggy Blake has been here, there and other places this week. Busy all the time—can't keep track of her.

Our sympathy goes out to Benton Swan and family in the loss of his mother on Saturday morning. I did not know her but knew several of her relatives—all very nice people, and I am sure she was too.

Not too sunny a Monday morning and the weather man says we are in for some rain. We need a lot of rain before cold weather sets in. It felt like it was a long ways off last week. People were going around last week so terribly hot and uncomfortable and about all they had on was a smile and a string of beads, as they say. But the nice breeze of Saturday gave everybody a big boost and what a big lift it was for those working on Newry's 175th celebration which I'd say was a big success. The ones that missed it, missed a great big lot. It was nice.

Mr. and Mrs. Clifton Jackson of Connecticut were at their home here on the river for the celebration. One of their daughter's and her husband live on the home place for now. Mr. and Mrs. Gary Roshto, Grace and Clifton plan to return to Sunday River before too long and I am sure they will be most welcome. We miss them. Good neighbors.

Mrs. Colista Morgan, Corres.

Last evening, as we sat on the lawn, the sun sank immense and round, first its lower rim, then the lower half; continuing until there remained a delicate golden-tinted light. It was good to sit here after the burning sun of mowing fields and lawns.

This is August. The time of the singing birds is mainly over. But the crickets and other fiddlers of the night were at work. Most of these were wing scatchers. They love the night and pour forth their noise with the "scatchers" used to vibrate their wings. Their resting period is when dawn is almost here. Then day breaks and they begin their time-up again. There will be no silent evenings until the frosts have come.

Suddenly coming down pond there was the reflection of a large bird in the water, the blue heron had come for its evening meal.

We watched the muskrat work down into the soupy mud, its tail floundering above water. It then emerged, its fur gleaming, and roots in its mouth.

A couple of bats came to look and to fly over the house.

The pink jewel weed by the steps hung from slender stems, small, and fragile blossoms, strange flowers with a deep sick-like base and petals joined in a bell-shaped form with divided lobes. The bumble bees, those big, gold insects, are usually there humming away. They are as colorful as butterflies and although they are armed like the white faced hornet they do not go around hunting for trouble.

A blur of wings, a flash of green and a touch of ruby-red and the humming bird, too, visited the flowers.

I could hear a continuous rattle, as if rain drops were hitting

the leaves. For many days I have noticed the sound day and evening and still wonder. I have found in the mornings tiny, brown, round seeds in my lawn chairs but why?

On these scorching August days with the hot humidity over all I have walked only to the farm to pick beans but I have been very busy. My many, many cards reminded me that I am a year older. I was happy to be remembered but not to be older.

Although time passes and August is seeping away, our hills remain the same as they looked down this evening and it was delightful to look to them as the shadows of night crept ever closer.

Vance Bacon and his mother, Rena, called on the Holts one evening this week.

Pay and Ann Holt were at the craft fair in Cumberland on Saturday afternoon. Jeri Holt exhibited her wood carving which was also on sale.

Ruth Hastings and I were in Bethel on Thursday evening and at Bryant Pond on Friday.

I had many callers on Monday bringing me "Best Wishes". My brother, Frank Curtis, and wife, Dot, my niece, Kathy Curtis and her mother, Eva Felton, Fay and Ann Holt, Milton and Eleanor Inman, Carl and Lettie Brooks, Bill and Doris Slatery, Ruth Hastings.

Mr. and Mrs. Milton Inman were in New York for the week end.

I attended the services for my aunt, Leona Curtis, in West Paris, on Wednesday. Ruth Hastings also attended.

Callers at the home of Mr. and Mrs. Frank Curtis were Lucy Bragg and son, Mabel Oldham, Helen Martin, Mildred Bowman, Joanne Ayers, and daughter.

At the Hayes Homestead the woods workers have left so things are rather quiet there. Their callers have been Dick Gould of Lisbon, Del and Betty Hayes, Auburn, for dinner on Saturday.

Master is Louis Marcotte; Pomona, Marguerite Marcotte, and Steward, Marlon Parker.

The program consisted of speaking, piano solo, vocal solo, readings, and as the closing thought, "If God should go on a strike—," Shirley Foster was the acting Lecturer in the absence of Gail Butlerfield who was attending the New England Lecturers' Conference at Burlington, Vt.

The next meeting will be at Pleasant Valley Grange at West Bethel and will be installation of officers.

CARD OF THANKS

Shane Alan Lovejoy was given a birthday party, Aug. 6 at his home. His mother, Mrs. Alanson Lovejoy, made the cake that held five candles. Present besides his grandparents, five in all, were Mr. and Mrs. Ray West, Rebecca and Christopher of Rumford and Dot Hale. Earlier in the day Shane and his sister Angela, ate out at McDonald's in South Paris.

Mrs. Davene Mitchell will soon be opening the Calico Corner Cafe, same location as last year.

Postmaster Arthur Gilbert is taking a weeks vacation. Alanson Lovejoy will be substituting.

Construction of the Pleasant Valley Bible Church is progressing. Sunday services were held in the basement. Special music was a solo, "Sweet, Sweet Spirit" by Debbie Lutton. Flowers were furnished by the Korhons and Cummings.

Ford, Jackson-Silver Post and Unit, American Legion, led the long parade with their colors and Commander Eldon Bartlett acted as marshal. Mr. and Mrs. A. Cummings rode with the Bear River Grangers in the model A. Ford.

Clarice Gibson, Corres.

What a contrast in weather! The 5th it was so humid and hot that George and Frank put in the air conditioner. Saturday after supper it began to cool down and the 11th I built a fire in the kitchen stove and kept it all day. Tuesday, the 5th, I went to the dentist and then rode down to Norway to my folks. Mr. and Mrs. George Allen, to pick up my cousin, Shirley Petzold. She and her mother, Marion Wilson of Massachusetts, were spending a few days here in Maine. Frank had said Monday that we would be having corn Tuesday so I had the kettle of water boiling when he got home the sooner corn can be put in water to cook out of the garden the better. Frank came in with about seven ears. It seems sometime Monday night Mama Coon and her babies had got about five dozen ears of corn. My father had just said that the coons seem to know when you are going to pick and then get in the night before.

Shirley and I picked and shelled the last of the peas and then picked string beans and canned them. Wednesday, the folks and Aunt Marion picked up Shirley and then went up to my brother's, Danny and wife, Shirley.

— Mrs. Arline Bernier, Corres. —

Claire Tripp found her husband dead from a heart attack when she returned from an errand at the store Friday. He was working outside when she left and in apparent good health. Harold was 70 years old and spent a lot of time at his camp on Back Street. He loved the place and took great pride in working to improve the grounds. Our sympathies are extended to Claire. There will be a memorial service Aug. 23 at 2:30 p. m. at the Union Church for Mr. Tripp.

The Tucker families have been enjoying vacation time on Peaslee Cove. Phyllis said one week was well-to-well Tuckers and since they've taken turns by families.

Mr. and Mrs. Floyd Staples were in town over the week end and called on friends. Several attended the festivities in Newry Saturday and enjoyed them very much. We are glad the weather was right for enjoyment.

Jackie and Bill Wilkins, Altona, Mont., are visiting this week with her mother, Mrs. Grace Merrill.

WALKING WITH JESUS CHRIST

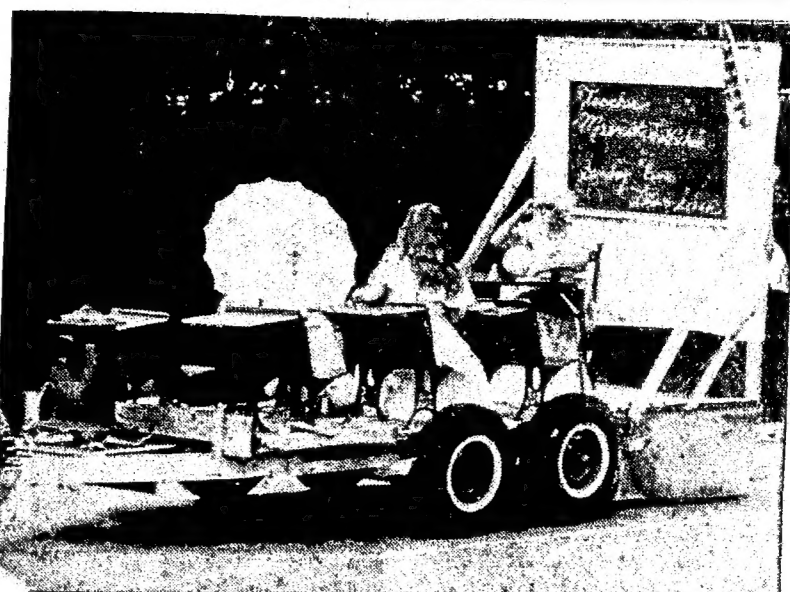

Let's just take the American people and consider the daily news that we see, hear and read about. Being the best informed people—with the finest electronic equipment—satellites and news commentators—we, as a whole—are so far behind the news—it's not funny! And, there is not another nation or singular group of people that really know what it's all about.

There's a song: "He's got the whole world in His hands—He's got you and me brother in His hands"—Getting the idea?

News, one can say it's surface news—events that take place. We heard about Christopher Columbus and George Washington—but it's local day's events that interest us—weddings—funerals—heat waves and Allen the hurricane.

Ever wonder what is happening? Well, short wave radio whets our appetite as we attempt to grasp the coat tails of a worldwind of news and activities developing every moment of the day.

Then there is a quiet time when we open the Bible and behold! There's the news—as the New York Times said of their newspaper: "all the news that's fit to print." The Bible, written by the One "who has the whole world in His hands"—full of news—real, alive—past, present and future. Here's the real stuff!—not good

FIRST PRIZE FLOAT

— Mrs. Richard Johnston of Andover received first prize in Newry's 175th anniversary parade last Saturday for this float of a school room in memory of her grandmother, Maenette Bartlett Littlehale Flint who was born and raised in Newry. She taught at the Sunday River lower school in 1897. Riding on the float were Marguerite Quinn, Polly Johnston and Joye Reiser. "The Descendants of Maenette Littlehale": daughters—Elsie Hewey, Marguerite Quinn; granddaughters—Polly Johnston, Jo Berry; great-grandchildren—Melanie Kerchner, Julie Merrill, Joye Reiser, Lisa Elrod, Theodore Berry, Jola Theige, Mike Burris; great-great-grandchildren—Trudi Kerchner, Peter Kerchner, Robin Kerchner, Jonathan Merrill, Almee Merrill, Dale Elrod, Brandon Theige, Brittany Theige, Brienne Theige.

news for those who refuse to put their trust in God—in Jesus as their Lord and Savior—but good news—the Gospel—for the one saved by God's Grace.

There's no way to understand the Bible unless God reveals it to a person—(Luke 24:45)—a "born again" believer (John 3:3) anxiously awaiting Christ's return (Rev. 22:20) and there's no way that Christ will set His foot onto this sinful and wicked world until He cleanses it and that's why the world's news happening today was foretold by the Prophets of old, and the PLO and Israel are sparing.

The only hope we have is to put ourselves into God's hands by admitting we are a sinful people—asking His forgiveness and asking Him to be our Lord. "For all have sinned and fall short of the glory of God" (Rom. 3:23) "For the wages of sin is death, but the free gift of God is eternal life in Christ Jesus our Lord" (Rom. 6:23).

LETTERS TO THE EDITOR

To the Editor:
I would like to take this opportunity to congratulate the members of the Bethel Red, Blue and Green farm teams for an outstanding season. All were a credit to the community for their sportsmanship and behavior. It is because of this that I feel we, the coaches and parents, should reflect on our own actions before another season. Remember this is supposed to be for the kids.

WAITING FOR THE PARADE—crowd around the Raymond Foster School waiting for Newry's 175th Anniversary Parade last Saturday forenoon.

SUNDAY CONCERT AT MIDDLE INTERVAL MEETING HOUSE

An Old Time Concert will be held at the Middle Interval Meeting House, on the Intervale Road in Bethel, at 4 p. m. on Sunday, Aug. 17. The concert, the final event of Sudbury Canada Days, will be held as a benefit for the Middle Interval Meeting House Society, a group formed to restore and maintain this historic Bethel landmark. There will be a small admission charge.

A number of local performers are contributing their talents to the event, which will attempt to recapture some of the flavor of concerts and recitals of the Nineteenth Century.

Miss Cathy Littlefield and Miss Diane Cross will play their guitars and sing a number of old-fashioned songs and folk melodies. The Sudbury Canada Singers, a vocal quartet consisting of Mrs. Jan Stowell, Mrs. Carol Fiske, George Allen and Dexter Stowell, will sing a selection of old-time harmony. Rhodes Wright, violinist, will play virtuosic solo pieces from the Romantic period. Miss Mary Valentine will accompany him on the piano. Mr. Wright will also play some down-home fiddle tunes.

Mrs. Jan Stowell, soprano, will sing a group of recital favorites, including a song by William Rogers Chapman. She will be accompanied at the piano by Ned Hastings. Mr. Hastings will perform a solo piano piece as well. Frank

CLEAN-UP COMMITTEE

Welding dustcloths and brooms at the Middle Interval Meeting House in preparation for next Sunday's gala concert are committee members Barbara and Harry Kuzky and Arlene Brown. Vocal and instrumental music of the 19th century will be featured in the 4 p. m. concert, the final event of Sudbury Canada Days.

cerigeros are invited to bring Sunday supper if they wish, and to enjoy it on the Common in front of the Meeting House following the concert.

Here is a chance to get a new look at an old Bethel landmark, enjoy good old melody and harmony, and have a family outing—all at a rather inexpensive price. Come to the Middle Interval Meeting House Sunday at 4:00, Aug. 17.

**ANDROSCOGGIN INDIAN SITES
TOPIC OF HISTORICAL SOCIETY
MEETING ON AUGUST 7**

Prehistoric Indian sites on the
upper Androscoggin was the fea-
tured topic at the monthly meeting
of the Bethel Historical Society
held Thursday evening, Aug. 7 in
the meeting room of the Dr. Meigs
Mason House. The speaker for the
evening was Dr. Richard Michael
Gramly, who is currently on the
staff of the Maine State Museum.

Dr. Gramly discussed the three
sites he has worked on in the area
including one at Mount Jasper in
Berlin, N. H., Moll's Rock at Lake
Umbagog and the Vail site at Az-
iscoos Lake. According to Dr.
Gramly, Mt. Jasper was mined
first about 7000 years ago; Moll's
Rock about 6000 B. C. was visited
initially by these ancestors of the
Indians who once inhabited the
area. The Vail site was first used
some 11,000 years ago.

The speaker presented a selec-
tion of excellent slides of his ar-
chaeological sites and some of his dis-
coveries in the upper Androscog-
gin at these sites.

Gramly, 33, a graduate of Ren-
selaer Polytechnic Institute with
graduate degrees from Harvard
University, has done extensive ar-
chaeological work in South America,
Africa, Canada, Mexico as well as
the United States. Author of some
40 essays and one book, his re-
search in the upper Androscoggin
has been sponsored by the Nation-
al Geographic Society and other

During the business portion of
the meeting, Vice President Don-
ald G. Bennett who presided in the
absence of President Catherine
Newell announced that Sudbury
Canada would be held on
Aug. 16-17 and urged strong mem-
bership support of the antique
show and the craft demonstration
and exhibits. Bennett also an-
nounced that next meeting would
be the annual meeting. Selected
for the nominating committee were
trustee member Suzanne Fiske
with Harry Kuziyk and Arlene
Brown from the general member-
ship.

Society Director Stanley Howe
called attention to the genealogical
survey now being conducted by the
Genealogical Committee and urged
anyone connected with Bethel to
submit his or her genealogical
data to the society to be kept as
part of the archival collections of
the Society and to be used in any
history the Society may publish in
the future.

The meeting was attended by
nearly 100 persons and refresh-
ments followed Gramly's presen-
tation.

GRAND OPENING TERMED A SUCCESS

Mrs. Aline Crockett, owner of the "Fabric Emporium" termed her Friday evening open house a huge success. There was a constant gathering of interested shoppers taking advantage of the 15% discount. For some, the shop offered a one stop shop center for the complete outfit.

Mrs. Crockett received many compliments on her fabric inventory, as well as expressed satisfaction with the pattern selection center.

Saturday proved to be a busy second day for the shop, as some customers, unable to make a visit the previous evening kept Mrs. Crockett and her assistants occupied. For some who expressed their interest in Bethel finally having a much needed sewing center, the wait was well worthwhile.

Bethel welcomed its newest business and its owner with a support-showing Grand Opening. Much luck and success to the "Fabric Emporium".

Winner of the Grand Opening \$20 gift certificate was Cindy Naples from Rumford.

NOTES FROM

Evans Notch

White Mountain National Forest

The Evans Notch Ranger District is again acting as the headquarters for 40 youth enrolled in the Youth Conservation Corps. The operation of the YCC is under the auspices of the United States Forest Service.

Perhaps you have been fortunate enough to meet and talk with some of these youngsters. Occasionally they can be found marching in the Mollycoddet Day Parade with their bright yellow work helmets, or seen headed for the laundromat with bundles of soiled clothing, or you might even get a glimpse of them as they stop after a hard day's work for an ice cream cone at one of the nearby shops. Generally they are more difficult to find. They are not always easily visible for their 40 hour work week often takes them deep into the White Mountain National Forest. These youth (30 from Maine, five from New Hampshire, and five from Massachusetts) can be found working on trail maintenance, timber stand improvement, erosion control, wildlife management, construction of wood-duck boxes, etc. These are a few of the many projects assigned.

YCC is designed not only to be productive for the Forest Service but also productive for the enrollee. The summer experience leans heavily toward the educational spectrum—10 hours of the 40 hour week are set aside for environmental education—a sort of "on the job training". These hours are coupled with evening presentations that may include speakers, films, demonstrations, activities, etc.; these topics are closely related to ecology and the environment.

Week-end activities further enhance the knowledge gained by utilizing forest skills with overnight hikes and canoeing expeditions.

The exhibits of life in Newry as it has changed through the years were displays of tools, books, hats, pictures, cooking utensils, tableware, etc.

On display also was a copper time capsule created by Robert Lowell into which was placed a record of current conditions as a message to future generations. Viewers were asked to sign a register to be included in the capsule.

There was a display of works by local artists. Also outside of the school building booths were set up offering foods, crafts and Newry souvenirs.

At 1 o'clock a program was presented on a stage behind the school house. Stephen Wight served as master of ceremonies and gave a tribute to Robert Davis, long-time Newry resident and former official who recently passed away. Pastor Rodney Hamscom gave the invocation. Romeo Baker and Willard Wight spoke on the history of Bear River and Sunday River valleys. Dale Thurston gave the benediction. During the program the East Butterfield Militia played several selections for a crowd of approximately 500.

Special awards were presented to Newry natives and long time residents: Eva Jackson Bacon, born in Sunday River in 1877; Sara Jane Thompson Brooks, born in Grafton in 1890; Mabel Thompson Bryant, born in Newry in 1892; Floyd Verrill, born at Sunday River in 1898; Selma Smith Chapman, born at Newry in 1900 and a life-long resident; Roy Bennett, born at Newry in 1902 and still lives in the house where he was born; Julia Fleet, 84, the oldest resident of Newry; Joe and Helen Roderick, residents of the oldest home in Newry, built on Sunday River in 1790.

During the program, Robert Russell of Massachusetts and Sunday River presented the town with a handcrafted sign to be placed at the lower Sunday River school house. The sign was accepted on behalf of the town by Willard Wight.

Following the program there was a softball game between teams from Bear River and Sunday River; a softball game for seniors, and a field day of children's games.

At 5 o'clock a bean-hole bean supper was put on at the Bear River Grange Hall by the Grange and the Newry Mothers Club.

At 7 p. m. a musical program featuring John and Yvonne Nowlin, Eric Wight, Rudy and Joan Royer, Angelo Onofrio and Jim Record, was enjoyed.

Carnations were presented by Steve Wight on behalf of the town to celebration committee members, Helen Morton, Julie Daye and Robert Lowell, with thanks expressed for the job they had done

A REAL MUSEUM — That's the only way to describe the display in the Raymond Foster School during last Saturday's celebration of Newry's 175th anniversary. One could be fascinated for hours studying the old tools, clothing, cooking utensils, lamps and many other common items which many have momentarily forgotten about.

STEAM MILL AREA RESIDENTS SEEK PUBLIC WATER SERVICE

fore, the larger the number of customers that would be served would mean improved possibilities for the District to undertake such a project. Projected income from only a few customers is simply not seen by the District as sufficient enough to justify a large capital investment that ultimately would impact on all District customer water bills.

The trustees also pointed out that this matter has been investigated a number of times over the last year. The trustees understand and are sympathetic with the concerns of the Steam Mill residents. Consequently, the District trustees and superintendent have already formed a fairly clear concept of how it would have to proceed, keeping within guidelines laid down by Maine health and utility agencies.

BOARD MEETING OF BETHEL'S MIDDLE INTERVALE MEETING HOUSE SOC. HELD

On Aug. 6 the Board of the Middle Intervale Meeting House Society met at the Moses Mason Museum, Bethel, to consider further plans for restoration. President Stanley Howe presided and the group elected him the Chairman of the Board.

The proposed sale of the Meeting House Foundation Stones, as planned by Mrs. Rebecca Bailey, was discussed and voted to proceed with it to be understood that purchasers as in the case of the pew sale, get a certificate of ownership which will specify if the Meeting House should ever be taken down or removed, the stones may be purchased at \$100 each which gives the owner a life membership for \$25 of this sum. The money thus raised will enable the Restoration Committee to plan in an orderly way the restoration projects to be done and priorities established.

Steve Wight is chairman of the Restoration Committee, membership on which includes Gen. James Alger, Bruce Bailey, Elizabeth Mason Carter, Edwin Guyer (Paris Hill) and Mrs. George Verenis (Norway). The group set the date of Aug. 11 at 9:30 a. m. for a meeting at the Meeting House.

The chairman announced that plans for the fund raising concert to be held Aug. 17 at 4 p. m. at the Meeting House were proceeding well under the Concert Committee chairman, George Allen, and Mr. and Mrs. Richard Bush

during the year in the preparation of the celebration.

The events of the day closed with an old fashioned dance with young and old dancing to the music of Lovejoy's Orchestra.
